# About Us

20  
22

With over 12 years' experience, LEDURBAN have positioned themselves as a leading lighting solutions provider in the KZN region, providing a high degree of expertise to support the regions projects with the most suitable products and services in the Commercial, Hospitality, Medical, Industrial, Retail and Residential market segments.

LEDURBAN continues to strive towards its vision "To be the lighting supplier of choice in the region" by spreading its presence to more major cities, while continuing to upgrade and diversify its products and services.

## OUR MISSION

To enhance the built environment by providing innovative lighting solutions.
